

LADY TATA MEMORIAL TRUST

INTERNATIONAL AWARDS FOR RESEARCH IN LEUKAEMIA

ACADEMIC YEAR 2026-2027

The Trustees of the Lady Tata Memorial Trust invite applications for Awards for personal support for research on leukaemia and related conditions, in the Academic Year beginning 1st October 2026. Awards are restricted to studies of the treatment, epidemiology, pathogenesis, immunology and genetic basis of leukaemia. Applications not related to the field of leukaemia will not be considered.

Awards are open to suitably qualified investigators of any nationality. Successful applicants are likely to have completed a PhD no more than 6 years prior to the application deadline. Priority will be given to those intending to move to other centres, with a view to establishing scientific collaboration between laboratories.

Awards are tenable for one year only; applicants are expected to seek funding from other sources for continuation of their work beyond the first year. Awards will be up to a maximum of £36,000.

To apply please visit our website www.ladytatatrust.org

Application open date 1st April 2026. Deadline for applications is 31st May 2026.
Awards will be announced by the Trustees in July 2026.
